MISSION STATEMENT

The New Jersey State Troopers Non Commissioned Officers Association Foundation, Inc. [hereinafter the Foundation] has been established to foster a relationship between public and private entities and the Association.

Inherent in the Foundation's mission is the formation of a partnership between the general public and the NCO Association which supports humanitarian needs and law enforcement concerns. Through the generosity of you, our public supporters, the Foundation is able to continue our benevolent contributions to individuals and families in need.

Dear Loyal Supporters,

It is gratifying for us to have achieved another successful *Golf Outing* enabling us to raise funds for the mission of the Foundation. Through your support, the Foundation is able to provide financial assistance to those in need through scholarships, donations, and financial contributions.

We wish to thank Grace Muchiri, Brian Bauer, and the Staff of the Trump National Golf Club for their efforts in helping to make the day both enjoyable and successful.

We ask that you remember in your prayers our good friend, Douglas Jablonski, a devoted Trooper who passed away too early in life.

James P. Gaffigan
President

My Dear Friends,

I thank you from the bottom of my heart for your kindness and support in making this latest fund-raising event a complete success.

You have made it possible for this Foundation to continue to help the deserving individuals and families who have experienced personal tragedy find a small bit of comfort while continuing on with their lives.

God bless you!
