LAW ENFORCEMENT HAS
A NEW CRIME-FIGHTING TOOL:
FORESIGHT.

{POWERFUL ANSWERS}

Technology that can help make communities safer. Police officers often face dangerous situations while protecting communities. The innovative minds at Verizon have teamed up with some of the smartest companies around to create solutions that help officers improve immediate awareness and response. It starts with our Monitoring and Control solution. Officers and command-center personnel can see activity in real time from wireless cameras over the Verizon 4G LTE network. The result is improved critical decision making and greater safety for first responders, as well as citizens.

Because the world's biggest challenges deserve even bigger solutions.

Solutions for Public Safety: verizon.com/publicsafety

MISSION STATEMENT

The New Jersey State Troopers Non Commissioned Officers Association Foundation, Inc. [hereinafter the Foundation] has been established to foster a relationship between public and private entities and the Association.

Inherent in the Foundation's mission is the formation of a partnership between the general public and the NCO Association which supports humanitarian needs and law enforcement concerns. Through the generosity of you, our public supporters, the Foundation is able to continue our benevolent contributions to individuals and families in need.

My Dear Friends,

I thank you from the bottom of my heart for your kindness and support in making this latest fund-raising event a complete success.

You have made it possible for this Foundation to continue to help the deserving individuals and families who have experienced personal tragedy find a small bit of comfort while continuing on with their lives.

God bless you!

Sean P. Reilly, Chairman

Dear Friends,

Thank you for your generous support of the Foundation. It is only through your individual charity that we are able to continue with our mission. We are humbled by your generosity.

Over the past year we have been able to assist those in need as a result of personal tragedy, illness, injury and natural disaster. Your generous donations from past years and continuing into the future will enable us to assist those in Law Enforcement as well as our communities. All of us can be proud of the relief we bring to those in need. So, at our 10th Annual Golf Outing, let's pledge to continue to work together for those who need our help the most.

Thank you to the Staff of Trump National Golf Club for making today successful and memorable.

James Kiernan, President

A & S

Screen Printing & Embroidery

A & S Screen Printing & Embroidery

will take care of all your marketing needs with our professional silk screening & embroidery services. We have over a decade of experience in meeting the needs of our valued customers.

When you need t-shirts, hats, jackets, jerseys or other marketing items, we can create custom pieces of the highest quality. If you need work uniforms for your employees, jerseys for your organization's team, or golf shirts or bags for that corporate event, we have you covered. Putting your business logo onto clothes and promotional materials conveys a sense of professionalism and intensifies your brand presence. We pay close attention to detail, ensuring your product will last for years to come.

Our embroidery and silk screening services are not only premium quality, but affordable. We believe in giving our customers the most for their money. If you want to save even more, buy in bulk. We have generous volume discounts for large orders. For custom lettering, screen printing, and embroidery at a great rate, call on the professionals at A & S Screen Printing
